

REGISTRATION OF YOUR VISA IN RUSSIA

Russia obliges all foreigners to register their visas within a few business days of arrival date.

Depending on the type of the accommodation, registration procedure may differ.

Be advised that Russian authorities will charge a penalty for late registration.

Avoid visa registration problems completely by using Visa Center registration services.

To use this service send us:

- 1) Scan of the main page of your passport.
- 2) Scan of your Russian visa and border entry stamp.
- 3) Scan of your migration card (entry card that you fill out at the entry into Russia).

Make a photo of items 1 to 3 on your smart phone and email them to:
info@visacenter.ca

- 4) Payment of CAD119.98.
