

Visa Registration Procedure in Uzbekistan

If your stay in Uzbekistan exceeds 3 days, you are required to register with the Ministry of Interior local department within 3 business days after arrival. A registration stamp is placed in your passport.

- If you stay in a hotel, the hotel administration will register you automatically.
- If you stay in a private apartment or house, you have to register the passport with the Ministry of Internal Affairs` local department in the district where this apartment or house is located.
- A fee for registration are paid in soum (national currency of Uzbekistan) in amount equal to \$20 or more depending on the length of stay.

Please be advised that your passport is checked upon departure, and failure to register it may result in fines of \$20 or more depending on the period of time the passport was without registration.
